Join us for an informal conversation on Alzheimer’s, how it effects someone you know living with memory loss and resources in our community.

Conversation led by:
- Geriatric Nurse Practitioner
- Local Attorney
- Caregiver for parent of Alzheimer’s

89,000 Minnesotans age 65+ live with Alzheimer’s disease and the number is growing.

Communities are taking action.

ACT on Alzheimer’s is a volunteer-driven collaboration bringing Minnesotans together to create supportive environments for everyone touched by Alzheimer’s disease and prepare Minnesota for its impacts.
