Conflict of Interest

- None of the views represented here are those of my clients nor have they had any control or input into this presentation.

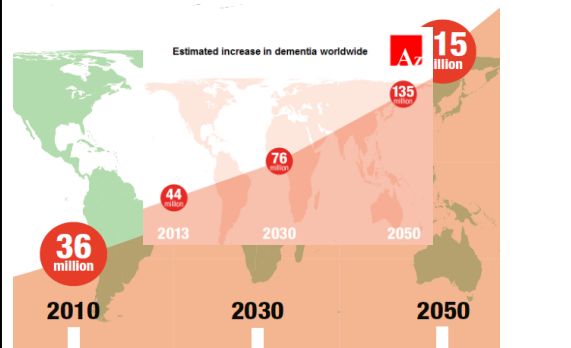

Recognition, terms

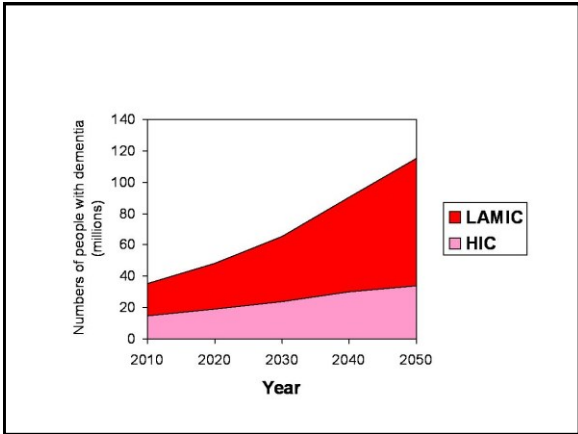

- Special thanks to ADI for the use of their global data slides. And Michelle Seitzer and Kate Gordon for story collection.
- The term Alzheimer's disease is intended to be inclusive of related irreversible dementias in and Alzheimer's detected at the time of cognitive symptoms are present.

A Comprehensive Approach to Alzheimer's

Dementia worldwide

- ### A radical (roots) view of DFC
- Stigma reduction
 - Self determination
 - Community is a verb!
 - Right of participation
 - Mass education tactics

DFC defined

- *“A place or culture in which people with dementia and their carers are empowered, supported and included in society, understand their rights and recognize their full potential.”*

Some stories

- Ireland (Signs)
- Japan (Night Patrol)
- Germany (Konfetti im Kopf)
- Indonesia (Enter the young!)
- France and everywhere (Bistro Demence)
- Scotland (Dementia football league)
- UK (Dementia friendly Gurudwaras)

Challenges

- Living alone with dementia
- Mobility
- Hospital care
- A woman's issue?
- Life course disease and dementia friendly

Shameless plugs

- www.adi.co.uk
- Travel, anyone?
