The township does not have an ordinance about wild, or feral, cats, but the township does have an ordinance about wildlife, which states that: "permitting animals or birds, or the use of vegetation in a manner that might be a public nuisance, noted in an ordinance." It also states that the township is authorized to control or exterminate any animal or bird that might be a public nuisance, noted in an ordinance. Therefore, the township is authorized to control or exterminate any animal or bird that might be a public nuisance, noted in an ordinance.

In other Business... The council was informed that the Paynesville Township Public Library would be receiving a new computer system, which will be installed on Wednesday, November 18, at 6:30 p.m. The computer system will be used to manage the library's collection, and it will also be used to provide patrons with access to online resources. The council was informed that the library is scheduled to open on November 20, at 9:00 a.m. The council was informed that the Paynesville Township Public Library would be receiving a new computer system, which will be installed on Wednesday, November 18, at 6:30 p.m. The computer system will be used to manage the library's collection, and it will also be used to provide patrons with access to online resources.
